

Why choose Guildford College for an Apprenticeship

Choice of Apprenticeships

Choose from a range of interesting Apprenticeships in a variety of subject areas.

Progression

You could progress onto an Advanced Level Apprenticeship, Higher Education or boost your employment and promotion prospects.

Training

Training will be delivered either in the workplace, where an assessor will visit you and monitor your progress, or on a day release basis at College where a tutor will monitor your progress. Your Apprenticeship may also involve a mixture of college and work-based training.

Industry Contacts

Our Apprenticeships team will support you in finding a job through the many industry contacts and organisations we work with in Surrey and the South East. Visit our [Apprenticeship Vacancies](#) page for our current vacancies which are linked to the Government's online Vacancy Matching Service.

Specialist Staff

Our staff have a wealth of knowledge and industry experience.

Support

Our dedicated friendly Apprenticeship staff can provide you with detailed advice and support throughout your training, and help you secure employment.

Our Commitment

We are passionate about helping apprentices reach their full potential at work, and look forward to welcoming you onto our Apprenticeship programme.
