

# Open Events

**Please note: Due to the ongoing COVID-19 situation we understand there is a lot of uncertainty about which events are due to run at Activate Learning. Please be aware that we are still planning on running our Open Events as planned. However, we are reviewing the format that these events will take place in.**

## Register to attend our next Open Event

Looking to start college in September 2020? If you have already chosen the course for you or are unsure of what you would like to do, come along to find out more about the opportunities available to you at Guildford College.

**Brand new for 2020, we are introducing the very first Guildford College Virtual Open Event.**

- Find out more about all our courses and programmes
- Discover more about our college from our Head of Campus
- Have the opportunity to get your application in
- Find the right course for you with our friendly teachers and support team
- Demystify your qualifications with our careers team

**Register your attendance at our free virtual event below now and discover how an education with Guildford College can help you achieve your goals.**

**Saturday 6 June 2020, 9.30am - 12.30pm**
