

Cambridge English Exams

International Centre

We can help you prepare for Cambridge exams at Guildford College!

Our Cambridge exam preparation courses are offered at First (FCE), Advanced (CAE), and Proficiency (CPE) levels and provide learners with the chance to study for an internationally recognised qualification.

The aim of these classes is to enable the students to obtain the necessary ability to enable them to pass the exam, and also to improve their English language.

These exam lessons include work on all the skills; writing, reading, grammar, listening and speaking and involve detailed preparation for all the different parts of the exams. The courses cover a large variety of examination topics and use well regarded course books which work on the skills necessary for the exam. The teachers also offer practice tests using past papers and work from a number of recommended books.

The study dates are flexible, you can start the course almost any Monday and study for a minimum of 4 weeks. It is £21 per class, and there is a £40 registration fee.

FCE: Monday, 12.45pm - 2.45pm

CAE: Monday; 12.45pm - 2.45pm

CPE: Tuesday; 6.30pm - 8.30pm

To enrol, you will need to do a placement test (unless you already have a certificate that shows your current English level). You can book a placement test by emailing us on international@guildford.ac.uk or calling us on 01483 44 86 90.
